STAGES

HERZSTÜCK (1)

Our central open air stage for sounds of folk, indie pop, emo and heavier sounds. Besides some Freakstock favorites we are also looking forward to new acquaintances from select acts who have raised some eyebrows in the current touring scene.

KUHSTALL (2)

The indoor venue of Freakstock is astonishing. Sometimes quiet and fragile, then violent and brute. The Kuhstall is a place for everybody.

SECRET GARDEN (3)

The place where the owner of Gut Haarbecke usually grooms his little garden is the place where the earth and the pretty timber constructions will be shaken by electronic music and dancing. Open air through the night... A nice mixture of regional and international DJs will be performing at the top of their game for you to experience colorful and intense nights.

ARTLAND (4)

Drink exclusive wine, lead cultivated conversations with dazzling personalities, see and be seen. Exhibition, music, performance, readings, workshops...
